Atmos Energy Internship Graduate Program 2026

Description

Atmos Energy is excited to announce our Internship Graduate Program for 2026, offering recent graduates the opportunity to kickstart their career in the energy industry. As an intern, you will be an integral part of our dynamic team, gaining hands-on experience in various facets of the business while contributing to meaningful projects. Join us and be a part of the future of energy.

Responsibilities

- Collaborate with cross-functional teams to support daily operations.
- Participate in research, analysis, and data-driven decision-making processes.
- Assist in the development and implementation of strategic initiatives.
- Contribute to project management and execution.
- Engage in regulatory compliance activities and reporting.
- Prepare reports, presentations, and documentation as required.

Qualifications

- Recent graduate with a Bachelor's or Master's degree in a relevant field (e.g., Engineering, Business, Energy Management).
- Strong academic record.
- Excellent written and verbal communication skills.
- Analytical mindset and problem-solving abilities.
- Ability to work independently and collaboratively within a team.
- Demonstrated interest in the energy industry.

Experience

- Relevant internship experience is a plus but not mandatory.
- Familiarity with the energy sector and related regulations is advantageous

Skills

- Proficient in Microsoft Office Suite.
- Strong organizational and time management skills.
- Adaptability and eagerness to learn.
- Detail-oriented with a focus on accuracy.
- Ability to analyze and interpret data.

Job Benefits

- Exposure to a diverse range of projects and responsibilities.
- Networking opportunities with industry professionals.
- Mentorship from seasoned professionals in the energy sector.
- Potential for career advancement within Atmos Energy.
- Competitive stipend and other internship-related perks.
