Banfield Internship Students Program 2026

Description

Banfield Pet Hospital, a leader in veterinary medicine, is thrilled to announce internship opportunities for students passionate about animal health and veterinary care. Our Internship Students Program offers a hands-on experience to work alongside veterinary professionals, contribute to pet wellness initiatives, and gain valuable insights into the veterinary field.

Responsibilities

- **Patient Care Assistance:** Support veterinary teams in providing compassionate care to animals, including monitoring vital signs and administering treatments.
- **Client Interaction:** Assist in client communication, address inquiries, and provide information on pet care and wellness.
- **Medical Records Management:** Ensure accurate and organized maintenance of patient records and documentation.
- **Assist in Procedures:** Support veterinarians during medical procedures and examinations, ensuring a safe and clean environment.
- **Learning Opportunities:** Engage in educational sessions and workshops to enhance knowledge of veterinary medicine.

Qualifications

- **Education:** Currently enrolled in a veterinary science or related program at an accredited institution.
- **GPA Requirement:** Minimum GPA of 3.0 on a 4.0 scale.
- **Communication Skills:** Strong verbal communication skills and the ability to interact with clients and team members.
- **Team Player:** Ability to work collaboratively in a fast-paced veterinary environment.

Experience

While prior veterinary experience is not mandatory, any relevant coursework, volunteer work, or extracurricular activities related to animal care will be considered a plus.

Skills

- **Animal Handling:** Comfort and confidence in handling animals with care and empathy.
- **Communication:** Effective communication with clients and colleagues.
- **Attention to Detail:** Meticulous in record-keeping and patient care.
- **Adaptability:** Ability to adapt to different tasks and responsibilities in a veterinary setting.

Job Benefits

- **Clinical Exposure:** Gain practical experience in a renowned veterinary
