Brigham and Women's Hospital Summer Internship Students 2026

Description

Brigham and Women's Hospital invites motivated and talented students to apply for our Summer Internship Program 2026. This program offers a unique opportunity to gain hands-on experience in one of the nation's leading healthcare institutions. As an intern, you will contribute to meaningful projects and work alongside renowned professionals in a dynamic and collaborative environment.

Responsibilities

- Assist in clinical research projects under the guidance of experienced researchers.
- Support healthcare professionals in daily operations and patient care activities.
- Collaborate with interdisciplinary teams to enhance patient experience and outcomes.
- Contribute to administrative tasks related to hospital operations.
- Participate in educational sessions and workshops led by healthcare experts.
- Engage in community outreach initiatives and health education programs.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong interest in healthcare, medicine, or related fields.
- Excellent communication and interpersonal skills.
- Ability to maintain confidentiality and adhere to ethical standards.
- Demonstrated organizational and time management abilities.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).

Experience

Previous experience in a healthcare or clinical setting is advantageous but not mandatory.

Skills

- Strong organizational and multitasking skills.
- Excellent written and verbal communication abilities.
- Critical thinking and problem-solving skills.
- Ability to work independently and collaboratively in a team.
- Attention to detail and accuracy in completing tasks.

Job Benefits

- Immersive experience in a world-class healthcare institution.
- Mentorship and guidance from leading healthcare professionals.
- Networking opportunities with medical professionals and researchers.
- Exposure to cutting-edge medical advancements and technologies.
