Build-A-Bear Workshop Summer 2026 Internship Opportunity For Graduate

Description

Build-A-Bear Workshop is a global company that offers a unique experience of creating a customized stuffed animal. The company was founded in 1997 and is headquartered in St. Louis, Missouri. The workshop provides an interactive experience for children and adults alike to select their own plush toy, add personalized clothing and accessories, and even participate in a special ceremony where they bring their creation to life.

Responsibilities

As a Build-A-Bear Workshop employee in St. Louis, you will have a variety of responsibilities to ensure that each customer has an enjoyable experience. Your duties will include greeting and assisting customers, explaining the different options for customizing their plush toy, assisting with the stuffing process, helping customers choose clothing and accessories, and maintaining the cleanliness of the store.

Qualifications

To be considered for a job at Build-A-Bear Workshop in St. Louis, you must have a high school diploma or equivalent, excellent communication skills, and a passion for customer service. You should also be able to work in a fast-paced environment and be comfortable standing for extended periods of time.

Experience

Previous experience in retail or customer service is preferred, but not required. Build-A-Bear Workshop provides extensive training to all new employees to ensure that they are knowledgeable about the company's products and services.

Skills

Excellent customer service skills, strong communication skills, ability to work in a team environment, attention to detail, and a positive attitude are all essential skills for this position. Additionally, being creative and having a passion for working with children can also be beneficial.

Job Benefits

As a Build-A-Bear Workshop employee in St. Louis, you will receive a competitive hourly wage, flexible scheduling, and opportunities for career advancement. You will also have the chance to work in a fun and creative environment where you can interact with children and adults and help them create lasting memories.

Contacts

If you are interested in joining the Build-A-Bear Workshop team in St. Louis, you can visit the company's website to view current job openings and apply online. Alternatively, you can visit your local Build-A-Bear Workshop store and inquire about job opportunities.
