Cardinal Health Internship Undergrad Students 2026

Description

Embark on a dynamic career journey with Cardinal Health's Internship Program for Undergraduate Students in 2026. This internship provides undergraduate students with the opportunity to contribute to healthcare solutions, gain hands-on experience, and develop skills essential for a successful career in the healthcare industry.

Responsibilities

- **Project Support:** Assist in various projects related to healthcare operations, supply chain management, and business development.
- **Data Analysis:** Engage in data collection, analysis, and reporting to support decision-making processes within the company.
- **Business Operations:** Collaborate with teams on day-to-day business operations, including logistics, inventory management, and customer support.
- **Collaboration:** Work closely with Cardinal Health professionals and teams on projects critical to the healthcare supply chain.

Qualifications

- Currently enrolled as a full-time undergraduate student in an accredited program.
- Pursuing a degree in business administration, supply chain management, healthcare management, or a related field.
- Strong academic performance with a minimum GPA of 3.0.

Experience

- Previous coursework or internship experience in the healthcare industry, business, or a relevant field is advantageous.
- Familiarity with healthcare operations, supply chain processes, or business analytics is a plus.

Skills

- **Communication:** Excellent written and verbal communication skills.
- **Analytical Skills:** Strong analytical and critical thinking abilities.
- **Teamwork:** Ability to collaborate effectively with diverse teams in a corporate environment.
- **Adaptability:** Flexibility to navigate various tasks and responsibilities within the healthcare industry.

Job Benefits

- **Industry Exposure:** Contribute to healthcare solutions and gain insights into the pharmaceutical and medical distribution field.
- **Learning Opportunities:** Access to training sessions, workshops, and
