## Department of Interior Internship Graduate Opportunities 2026

### Description

The Department of the Interior is pleased to offer Graduate Internship Opportunities for individuals seeking a unique experience in the realm of public service and natural resource management. As an intern, you will have the chance to contribute to impactful projects, collaborate with experienced professionals, and gain valuable insights into the diverse mission areas of the Department.

### Responsibilities

- Assist in research, data analysis, and project management related to natural resource conservation and environmental protection.
- Support the development and implementation of policies, programs, and initiatives within the Department's various bureaus.
- Contribute to the planning and execution of public outreach, education, and engagement efforts.
- Provide assistance in legal and regulatory compliance activities within the Department.
- Collaborate with interdisciplinary teams on conservation and land management projects.
- Participate in meetings, workshops, and training sessions to enhance knowledge of public administration and resource management.
- Engage with stakeholders and community members to foster partnerships and communication.

### Qualifications

- Currently enrolled in a graduate program with a focus on environmental science, public administration, law, natural resource management, or a related field.
- Strong academic record and a genuine interest in public service and resource conservation.
- Excellent written and verbal communication skills.
- Proficient in Microsoft Office Suite and basic computer skills.
- Ability to work independently and collaboratively within a team.
- Detail-oriented with strong organizational and multitasking abilities.
- Demonstrated commitment to environmental stewardship and public service.

### Experience

Previous coursework or experience in environmental science, public administration, or related fields is preferred but not required.

### Skills

- Analytical skills for data interpretation and problem-solving.
- Strong interpersonal skills and the ability to work with diverse teams and stakeholders.

### Hiring organization

Department of Interior

### Employment Type

Intern

### Duration of employment

6 Month

### Industry

Government Agency

### Job Location

Washington, D.C., United States,  
20001, Washington, D.C., United States

### Working Hours

8

### Base Salary

10

### Date posted

July 15, 2026

### Valid through

10.12.2025

- Adaptability and a willingness to learn in a dynamic government environment.
- Time management skills with the ability to meet deadlines.
- Knowledge of environmental policies, natural resource management, or public administration is advantageous.

### **Job Benefits**

- Practical experience in a federal agency dedicated to environmental stewardship and public service.
- Exposure to various aspects of natural resource conservation, land management, and public policy.
- Networking opportunities with professionals in the environmental and public administration sectors.
- Mentorship from experienced Department of the Interior professionals.
- Potential for career development within the public service and environmental fields.

### **How To Apply**

Interested candidates should submit their resume, cover letter, and academic transcripts. Please include "Department of Interior Internship Application" in the subject line.

The Department of the Interior is an equal opportunity employer. We encourage candidates from all backgrounds to apply. Only shortlisted candidates will be contacted for interviews.
