Detroit Airport Internship Employment Authority 2026

Description

Join Authority and embark on a transformative career journey with the Detroit Airport Internship Employment Opportunity in 2026. This internship provides students with hands-on experience in airport operations, offering a chance to contribute to essential projects, learn from industry professionals, and develop skills crucial for a successful career.

Responsibilities

1. **Operational Support:** Assist in day-to-day airport operations, including terminal services, airfield management, and passenger support.
2. **Project Assistance:** Contribute to airport improvement projects, safety initiatives, and sustainability programs.
3. **Customer Service:** Engage with passengers, providing information, assistance, and ensuring a positive airport experience.
4. **Data Analysis:** Participate in data collection, analysis, and reporting to support decision-making processes within the airport.

Qualifications

- Currently enrolled as a full-time student in an accredited undergraduate or graduate program.
- Pursuing a degree in aviation management, business, engineering, or a related field.
- Strong academic performance with a minimum GPA of 3.0.

Experience

- Previous coursework or internship experience in aviation, airport management, or a relevant field is advantageous.
- Familiarity with airport operations, safety protocols, or sustainability practices is a plus.

Skills

1. **Communication:** Excellent written and verbal communication skills.
2. **Teamwork:** Ability to collaborate effectively with diverse teams in a fast-paced airport environment.
3. **Problem Solving:** Strong analytical and critical thinking abilities.
4. **Adaptability:** Flexibility to navigate various aspects of airport operations.

Job Benefits

- **Industry Exposure:** Gain practical experience in one of the leading airports in Detroit.
- **Learning Opportunities:** Access to training sessions, workshops, and professional development programs.
- **Networking:** Connect with professionals in the aviation industry and build
