Devon Energy Internship Graduates Students 2026

Description

Explore a transformative internship experience with Devon Energy in 2026. Join our dynamic team and gain hands-on experience in the energy industry while contributing to innovative projects and initiatives.

Responsibilities

- Collaborate with cross-functional teams on projects aligned with your field of study.
- Assist in data analysis and reporting related to energy exploration and production.
- Support the planning and execution of energy projects and operations.
- Contribute to research and development initiatives within the energy sector.
- Engage in team meetings, workshops, and training sessions.
- Provide administrative support to various departments.
- Participate in HSE (Health, Safety, and Environment) initiatives.

Qualifications

- Currently pursuing a graduate degree in a relevant field (e.g., Petroleum Engineering, Geology, Business, etc.).
- Graduating in 2024 or recently graduated.
- Strong academic record with a minimum GPA of 3.5.
- Excellent communication and interpersonal skills.
- Detail-oriented with strong organizational abilities.
- Passion for the energy industry and commitment to excellence.

Experience

- Previous internship or work experience in the energy sector is a plus but not required.
- Familiarity with energy exploration and production concepts is advantageous.

Skills

- Technical skills: Proficiency in relevant tools and software for your field of study.
- Communication skills: Clear and effective verbal and written communication.
- Teamwork: Collaborative mindset and ability to work well in interdisciplinary teams.
- Analytical skills: Ability to analyze data and draw meaningful conclusions.
- Adaptability: Willingness to learn and adapt to evolving energy challenges.

Job Benefits

- Competitive internship stipend.
- Exposure to real-world projects and challenges in the energy industry.
