Duke Energy Internship Program Openings 2026

Description

Join the Duke Energy Internship Program in 2026 and be part of a leading energy company dedicated to providing innovative solutions. This internship offers students the opportunity to gain hands-on experience, contribute to energy initiatives, and develop skills essential for a successful career in the energy industry.

Responsibilities

- **Project Support:** Assist in various projects related to energy generation, distribution, and sustainability.
- **Data Analysis:** Engage in data collection, analysis, and reporting to support decision-making processes within the company.
- **Engineering Assistance:** Collaborate with engineering teams to support the maintenance and improvement of energy infrastructure.
- **Customer Engagement:** Contribute to customer-focused initiatives, providing support and information on energy programs.

Qualifications

- Currently enrolled as a full-time student in an accredited undergraduate or graduate program.
- Pursuing a degree in engineering, business, environmental science, or a related field.
- Strong academic performance with a minimum GPA of 3.0.

Experience

- Previous coursework or internship experience in the energy sector, engineering, or a relevant field is advantageous.
- Familiarity with energy-related technologies, sustainability practices, or utility operations is a plus.

Skills

- **Communication:** Excellent written and verbal communication skills.
- **Technical Skills:** Basic understanding of energy systems, infrastructure, and technologies.
- **Teamwork:** Ability to collaborate effectively with diverse teams in an energy company.
- **Adaptability:** Flexibility to navigate various tasks and responsibilities within the energy industry.

Job Benefits

- **Industry Exposure:** Gain practical experience in one of the leading energy companies.
- **Learning Opportunities:** Access to training sessions, workshops, and professional development programs.
