FDA Internship Students Graduate Program 2026

Description

Embark on a dynamic and impactful journey with the FDA Internship Students Graduate Program in 2026. This internship offers graduate students a unique opportunity to gain hands-on experience, contribute to critical projects, and develop skills essential for a successful career in the field of public health and regulatory affairs.

Responsibilities

- **Regulatory Research:** Engage in research projects related to FDA regulations, policies, and public health initiatives.
- **Compliance Support:** Assist in reviewing and analyzing regulatory submissions, ensuring adherence to FDA guidelines.
- **Data Analysis:** Contribute to data analysis activities, supporting evidence-based decision-making within the FDA.
- **Project Management:** Collaborate with cross-functional teams to support and manage projects related to public health and safety.

Qualifications

- Currently enrolled in or recently graduated from a graduate program in public health, regulatory affairs, pharmacology, or a related field.
- Strong academic performance with a minimum GPA of 3.0.

Experience

- Previous coursework, research, or internship experience in regulatory affairs, public health, or a related field is advantageous.
- Familiarity with FDA regulations and processes is a plus.

Skills

- **Analytical Skills:** Strong analytical and critical thinking abilities.
- **Communication:** Excellent written and verbal communication skills.
- **Teamwork:** Ability to collaborate effectively with diverse teams in a regulatory environment.
- **Detail-Oriented:** Precise attention to detail in data analysis and regulatory compliance.

Job Benefits

- **Public Health Impact:** Contribute to initiatives that have a direct impact on public health and safety.
- **Learning Opportunities:** Access to training sessions, workshops, and exposure to regulatory affairs practices.
- **Networking:** Connect with professionals in the field and build valuable connections.
- **Career Development:** Potential opportunities for future employment within
