Florida Department of Health Internship Opportunities 2026

Description

The Florida Department of Health is offering internship opportunities for motivated individuals who are passionate about public health. This internship program provides a unique chance to contribute to the Department's mission of promoting and protecting the health and safety of all residents in the state of Florida.

Responsibilities

- Support public health initiatives and programs through research and analysis.
- Assist in the planning and implementation of health education and outreach activities.
- Collaborate with departmental teams on various projects, including epidemiology, disease prevention, and community health.
- Participate in data collection, entry, and analysis to inform public health strategies.
- Contribute to the development of informational materials and reports.
- Attend and participate in departmental meetings and training sessions.

Qualifications

- Currently enrolled in an accredited college or university.
- Pursuing a degree in Public Health, Epidemiology, Health Education, or a related field.
- Strong academic record and a commitment to public health.
- Excellent written and verbal communication skills.
- Ability to work independently and collaboratively in a team.

Experience

- Previous coursework or experience in public health is preferred but not required.
- Familiarity with public health issues, programs, and interventions is advantageous.

Skills

- Strong research and analytical skills.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Excellent organizational and time management skills.
- Ability to adapt to a dynamic and fast-paced work environment.

Job Benefits

- Exposure to real-world public health challenges and initiatives.
- Networking opportunities with professionals in the field.
- Mentorship and guidance from experienced public health professionals.
