Logan Airport Summer Internship Trainee 2026

Description

Join Logan Airport's Summer Internship Trainee Program in 2026 and immerse yourself in the dynamic world of aviation. This internship offers a unique opportunity to gain hands-on experience, contribute to critical projects, and develop skills essential for a successful career in the aviation industry.

Responsibilities

- **Operational Support:** Assist in day-to-day airport operations, ensuring efficiency and compliance with safety standards.
- **Project Assistance:** Contribute to airport improvement projects, ranging from facility upgrades to sustainability initiatives.
- **Customer Service:** Engage with passengers, providing assistance and ensuring a positive experience during their time at Logan Airport.
- **Data Analysis:** Assist in analyzing airport performance data to identify trends and areas for improvement.

Qualifications

- Currently enrolled as a full-time undergraduate or graduate student in an accredited program.
- Pursuing a degree in aviation management, transportation, engineering, or a related field.
- Strong academic performance with a minimum GPA of 3.0.

Experience

- Previous coursework or internship experience in aviation, transportation, or a relevant field is advantageous.
- Familiarity with airport operations and regulations is a plus.

Skills

- **Communication:** Excellent written and verbal communication skills.
- **Teamwork:** Ability to collaborate effectively with diverse teams in a fast-paced airport environment.
- **Adaptability:** Flexibility to navigate various tasks and responsibilities within the dynamic aviation industry.
- **Problem-Solving:** Strong analytical and critical thinking abilities to address challenges in airport operations.

Job Benefits

- **Aviation Exposure:** Gain insights into the daily operations of a busy international airport.
- **Learning Opportunities:** Access to training sessions, workshops, and exposure to cutting-edge technologies in aviation.
- **Networking:** Connect with professionals in the aviation industry and build
