

MASS Summer Internship Employment 2026

Description

Join the Massachusetts Institute of Technology (MIT) Advanced Studies in Security (MASS) Summer Internship Employment Program in 2026. This internship provides students with a unique opportunity to engage in cutting-edge research, contribute to security studies, and develop skills essential for a successful career in the field of security.

Responsibilities

- **Research Assistance:** Contribute to ongoing security-related research projects, assisting in data collection, analysis, and reporting.
- **Project Collaboration:** Work collaboratively with MASS researchers and teams to achieve project objectives and milestones.
- **Seminar Participation:** Attend and actively participate in seminars, workshops, and discussions on security studies.
- **Documentation:** Prepare reports, summaries, and documentation related to research findings and project outcomes.

Qualifications

- Currently enrolled as a full-time student in an accredited undergraduate or graduate program.
- Pursuing a degree in security studies, international relations, political science, or a related field.
- Strong academic performance with a passion for security and defense studies.

Experience

- Previous coursework or research experience in security studies or a related discipline is advantageous.
- Familiarity with security-related methodologies, geopolitical analysis, or international affairs is a plus.

Skills

- **Analytical Skills:** Strong analytical and critical thinking abilities.
- **Communication:** Excellent written and verbal communication skills.
- **Teamwork:** Ability to collaborate effectively in a research and academic environment.
- **Adaptability:** Flexibility to engage with diverse security-related projects and challenges.

Job Benefits

- **Research Exposure:** Contribute to cutting-edge research in the field of security studies.
- **Learning Opportunities:** Access to seminars, workshops, and
