NASA Summer Internship Program 2026

Description

Embark on a journey of innovation and exploration with the NASA Summer Internship Program 2026. This program offers a unique opportunity for students to contribute to cutting-edge research, work alongside top scientists and engineers, and gain invaluable experience in the field of aerospace and space exploration.

Responsibilities

- Contribute to ongoing NASA research projects in areas such as space exploration, aeronautics, Earth science, and astrophysics.
- Collaborate with interdisciplinary teams to analyze data, develop models, and contribute to mission planning.
- Engage in hands-on activities, experiments, and simulations to further understanding in your respective field.
- Present your findings through reports, presentations, and other mediums.
- Participate in workshops, seminars, and networking events to enhance your knowledge and skills.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program.
- Pursuing a degree in Engineering, Physical Sciences, Computer Science, Aerospace Sciences, or a related field.
- Strong academic performance and a genuine passion for space exploration.
- Excellent communication and problem-solving skills.
- Ability to work collaboratively in a dynamic and challenging environment.

Experience

- Previous coursework or projects related to aerospace, space science, or aeronautics is beneficial but not mandatory.
- Familiarity with relevant software tools and technologies is advantageous.

Skills

- Proficient in scientific computing and data analysis.
- Strong programming skills (e.g., Python, MATLAB, C++).
- Critical thinking and problem-solving abilities.
- Effective communication and presentation skills.
- Adaptability and eagerness to learn.

Job Benefits

- Competitive stipend and compensation package.
- Exposure to groundbreaking research and projects.
- Mentorship from NASA scientists and engineers.
- Networking opportunities with professionals in the aerospace industry.
- Potential for consideration for future NASA employment opportunities.

Hiring organization

NASA

Employment Type

Intern

Duration of employment

6 Month

Industry

Government Agency

Job Location

Washington, D.C., United States, 20001, Washington, D.C., United States

Working Hours

8

Base Salary

10

Date posted

June 20, 2026

Valid through

10.12.2025

How To Apply

To apply for the NASA Summer Internship Program 2026, submit your resume, a cover letter expressing your interest, and academic transcripts through the NASA Internship Application System (NIAS).

Don't miss the chance to be part of NASA's mission to explore and discover the wonders of space. Join us for a summer internship that will inspire and shape your future in the aerospace industry.
