NGA Internship Students Opportunities 2026

Description

The National Geospatial-Intelligence Agency (NGA) invites talented and driven students to apply for our Internship Opportunities in 2026. As an intern, you will have the chance to contribute to critical national security efforts, collaborate with experienced professionals, and gain hands-on experience in geospatial intelligence. Join us in shaping the future of intelligence and security.

Responsibilities

1. **Project Support:** Contribute to ongoing projects in geospatial analysis, intelligence reporting, and data interpretation.
2. **Research and Analysis:** Assist in researching and analyzing geospatial data to support intelligence assessments.
3. **Collaboration:** Work closely with teams to develop and implement solutions to complex intelligence challenges.
4. **Reporting:** Prepare and present findings through written reports and briefings.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program in geospatial science, geography, intelligence studies, or a related field.
- Strong academic performance with a minimum GPA of 3.0.
- U.S. citizenship is required.

Experience

- Previous coursework or internship experience in geospatial analysis, intelligence, or related fields is a plus.
- Familiarity with geospatial tools and software is advantageous.

Skills

1. **Analytical Skills:** Strong analytical and critical thinking abilities.
2. **Communication:** Excellent written and verbal communication skills.
3. **Teamwork:** Ability to work collaboratively in a team-oriented environment.
4. **Security Awareness:** Understanding of the importance of security protocols and confidentiality.

Job Benefits

- **National Security Impact:** Contribute to critical missions that protect the nation.
- **Learning Opportunities:** Gain exposure to cutting-edge technologies and intelligence methodologies.
- **Networking:** Connect with professionals in the intelligence community.
- **Career Development:** Access potential full-time employment opportunities based on performance during the internship.
