PECO Energy Company Summer Internship Students Program 2026

Description

Embark on a dynamic and educational journey with PECO Energy Company's Summer Internship Program in 2026. This internship provides students with a unique opportunity to gain hands-on experience, contribute to critical projects, and develop skills essential for a successful career in the energy industry.

Responsibilities

- **Field Operations Support:** Assist in various field operations, gaining exposure to the maintenance and enhancement of the electrical infrastructure.
- **Renewable Energy Projects:** Engage in projects related to renewable energy initiatives and sustainability efforts.
- **Data Analysis:** Contribute to data analysis activities, supporting decision-making processes within the utility.
- **Collaboration:** Work closely with cross-functional teams, learning from professionals in various fields of energy operations.

Qualifications

- Currently enrolled as a full-time undergraduate or graduate student in an accredited program in electrical engineering, energy management, or a related field.
- Strong academic performance with a minimum GPA of 3.0.

Experience

- Previous coursework or internship experience in energy, utilities, or a relevant field is advantageous.
- Familiarity with electric utility operations, renewable energy, or sustainability is a plus.

Skills

- **Communication:** Excellent written and verbal communication skills.
- **Teamwork:** Ability to collaborate effectively with diverse teams in a utility environment.
- **Analytical Skills:** Strong analytical and critical thinking abilities.
- **Adaptability:** Flexibility to navigate various tasks and responsibilities within the dynamic energy sector.

Job Benefits

- **Industry Exposure:** Gain insights into the operations of a leading energy company.
- **Learning Opportunities:** Access to training sessions, workshops, and exposure to cutting-edge technologies in the energy sector.
