

SBA Summer Internship Opportunities Program 2026

Description

The Small Business Administration (SBA) is thrilled to announce its Summer Internship Opportunities Program for aspiring individuals eager to gain valuable experience in supporting small business development. As an intern, you will be an integral part of the SBA team, contributing to initiatives that empower entrepreneurs and foster economic growth.

Responsibilities

- Assist in the implementation of SBA programs aimed at supporting small businesses.
- Conduct research on small business trends, market conditions, and regulatory changes.
- Provide administrative support in the planning and execution of outreach events, workshops, and training sessions.
- Collaborate with SBA professionals on projects related to loan programs, financial assistance, and business counseling.
- Contribute to the development of reports, presentations, and communication materials.
- Assist in data collection, analysis, and reporting to support program evaluation.
- Participate in meetings and training sessions to enhance knowledge of small business development.

Qualifications

- Currently enrolled in an undergraduate or graduate program with a focus on business, economics, public administration, or a related field.
- Strong academic record and a passion for supporting small businesses and entrepreneurship.
- Excellent written and verbal communication skills.
- Proficient in Microsoft Office Suite and basic computer skills.
- Ability to work independently and collaboratively within a team.
- Detail-oriented with strong organizational and multitasking abilities.
- Knowledge of small business issues, government programs, and economic development is beneficial.

Experience

Previous coursework or experience in business, economics, or a related field is preferred but not required.

Skills

- Analytical skills for data interpretation and problem-solving.
- Strong interpersonal skills and the ability to engage with diverse stakeholders.
- Adaptability and a willingness to learn in a dynamic government agency
